

MECH

Mechanical Electrical
Computer Hub

What is MECH?

Started in Fall '14 as USF's first prototyping and mechatronics club, MECH is designed to encourage students of various majors to pursue projects in the area of robotics. Of course, MECH does not limit the project ideas to just robots! Open to all disciplines, we thrive on diversity, different skill levels, and, above all, creativity.

Ice, Ice, Breaker

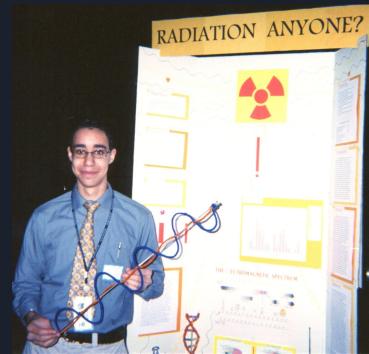

Faculty Advisor: Dr. Celestin

Major: Chemical Eng.

Profession: Anti Chemical
Engineer Evangelist

Fun Fact: When I used to play piano, I once performed a solo in the jazz club in New Orleans

2001

2019

Email: mcelesti@usf.edu

2019-2020 E-Board

MECH

Mechanical Electrical
Computer Hub
USF 19-20

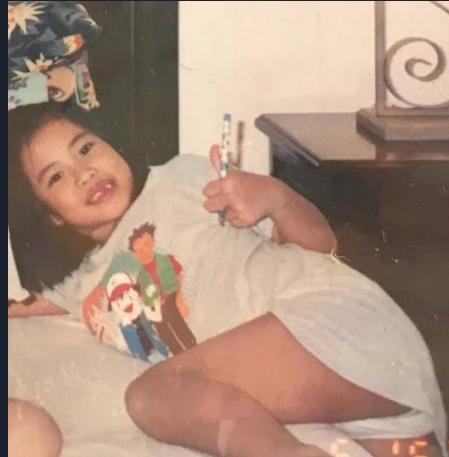

President: Victoria Carlos

Year: Senior

Major: Computer Science

Hometown: Philippines till i die... or Boca Raton, FL

Fun Fact: I swear I had ramen once a week for 14 weeks this summer

2001

2019

Vice President: José Ramírez

Year: Sophomore

Major: Computer Science

Hometown: Maracaibo,
Venezuela

2003

2019

Fun Fact: I am usually
mistaken for a Red Sox fan

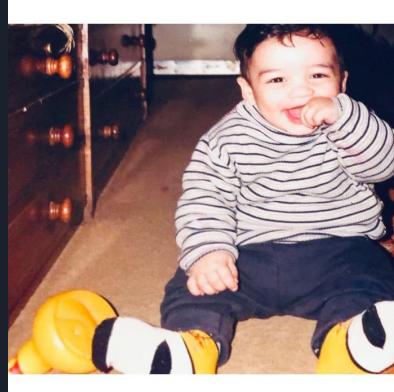

Treasurer: Haider Ali Khan

Year: Sophomore

Major: Mechanical Eng.

Hometown: Pakistan

Fun Fact: I can speak 3.5 languages!

2001

2019

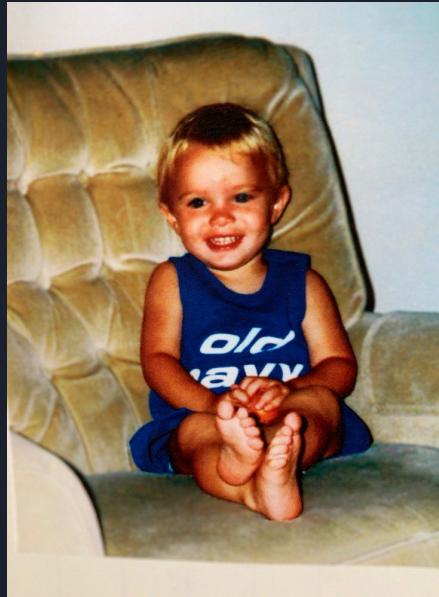

Marketing Chair: Daniel Rocchi

Year: Senior

Major: Comp Sci

Hometown: Jacksonville

Fun Fact: I broke both my arms on the same day
(different accidents)

1999

2019

Secretary: Melissa Aguilera

Year: Sophomore

Major: Electrical Eng.

Hometown: Naples

Fun Fact: I spend all my
money on coffee.

2003

2019

External Events Chair: Andrea Espinosa

Year: Junior?

Major: Electrical Eng.

Hometown: Daytona Beach

Fun Fact: I have an active
Helicopter Underwater
Escape Training Certificate

2002

2019

Internal Events Chair: Demi Padilla

Year: Sophomore

Major: Mechanical Eng.

Hometown: Plant City 🍓

Fun Fact: I love astronomy
and aerospace!

2009

2019

Fundraising Chair: Rushita Bachu

Year: Sophomore

Major: Computer Science

Hometown: Jacksonville

Fun Fact: I can live off of
just boba

2001

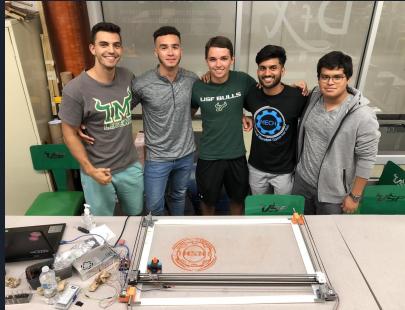

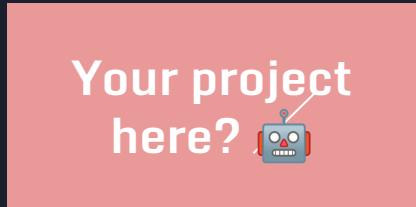

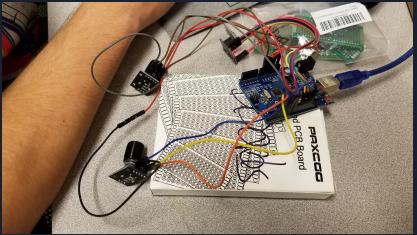

2019

Upcoming Events

Event	Date	Time	Location
IEEE and MECH Arduino Workshop	9/17	5pm	DFX
How to Build a MECH Project Part 1 of 5	9/20	3-4pm	DFX
MECH Game Night!	9/27	5-last man standing pm	DFX
Chipotle Fundraiser	TBD	TBD	You guess
MECH Takes Roboticon	10/12	TBD	Yuengling Center
HackJam	TBD	TBD	TBD
